Case No. 2007-00134

**CITIZENS FOR ALTERNATIVE WATER SOLUTIONS
MOTION FOR LEAVE TO FILE TENDERED PLEADING OUT OF TIME**

Comes the Intervenor Citizens for Alternative Water Solutions (CAWS), by counsel, and respectfully moves the Commission to accept this tendered pleading for filing out of time. In support of this motion, the undersigned states as follows:

1. By Order of the Commission dated January 16, 2008, parties were permitted a limited additional time, up to and including February 11, 2008, to file with the Commission any new evidence that may aid the Commission in its evaluation of Kentucky-American's application.

2. The undersigned had planned to have the pleading hand-delivered for filing, but due to technical problems in producing the pleading and transmitting it, was unable to do so or to fax the document before close of business on February 11.

3. All counsel have been served with the pleading and attachments electronically, and have additionally been mailed a hard copy by priority mail rather than first-class mail, so that there is no prejudice to any party in terms of abridging the opportunity to review and to respond to the supplemental direct testimony.

4. Additionally, the pleading is being transmitted for filing via UPS overnight service.

WHEREFORE, for the reasons stated above, counsel respectfully requests that this tendered pleading be accepted for filing out of time.

Respectfully submitted,

Tom FitzGerald
